

KONE

DESIGNED FOR SIMPLICITY,
BUILT FOR RELIABILITY

KONE Essentials™ - Residential

LOW-RISE RESIDENTIAL? WE'VE GOT YOU COVERED.

THE NEW KONE ESSENTIALS™
- RESIDENTIAL LIFT HAS BEEN
ENGINEERED SPECIALLY FOR THE
DEMANDS OF LOW-RISE LIVING.

Our optimised, end-to-end design solution provides everything you need to get your project moving and have the confidence that KONE will deliver.

- Customised design for low-rise residential projects
- Meets critical New Zealand Standards
- Affordable and reliable KONE engineering

Every KONE Essentials™ lift includes; bank guarantees, storage, rubbish removal and more

WITH KONE, YOU'RE IN SAFE HANDS

We've worked with builders to understand what you need (and what you don't!) when delivering low-rise residential projects.

- Trusted installation expertise to keep your project on track
- Local, New Zealand lift experts, backed by KONE's global experience and proven quality
- Smarter resource management
 - Flexible split between employees and contractors means we do not solely rely on contractors for installation works
 - Move our teams as needed to meet your project requirements
- Peace of mind with full compliance to
 - ✓ EN81-20:2014 – European Lift Standard
 - ✓ NZS4332: 1997, Part 25.8 – Operation of Lifts Under Earthquake Conditions.
