

A close-up, low-angle shot of a modern elevator control panel. The panel is dark grey or black with a sleek, minimalist design. At the top, there are two digital displays showing the number '8'. Below the displays, there are several icons including a person, a wheelchair, and a lightning bolt. The panel features a grid of circular buttons, each with a number from 1 to 24. The buttons are arranged in a grid that recedes into the background, creating a sense of depth. The background is a light-colored wall with a dark trim.

KONE SIGNALISATION

KDS300

CAR OPERATING PANEL (COP)

DOT MATRIX DISPLAY

Faceplate/Button materials

- Silver mirror polished stainless steel
